The Thinking Into Results® Program –

Terms and Conditions

The CLIENT(s) agrees to the following:

- **The CLIENT** understands that coaching is not advice; psychotherapy or counselling and those professional referrals will be given if needed.
- **The CLIENT** enters coaching with the understanding that they are responsible for creating their own results.
- **The CLIENT** agrees the coaching and program fees are collected before beginning the coaching/facilitation program.
- **THE CLIENT** agrees all payments will be deemed earned upon activation and access to the program for the CLIENT.
- **The CLIENT** understands that once the "THINKING INTO RESULTS" program is delivered electronically to the CLIENTS computer, it is deemed unreturnable, because it is on the client's computer, where it can be copied, downloaded, sent to other people i.e. family members and employees, meaning for all intents and purposes the product is delivered and ready for use over and over again. We say it's a 6-month program BUT this is not a six-month program - it takes you 6 months to go through it the first time - you have access to the material for life - it's a lifetime program.
- **The CLIENT** in good faith attempts to make all appointments and calls on time. If you know you will be late, call or email ahead of the lesson start and advise. If you must miss a session, 48-hour notice is required to reschedule.
- **The CLIENT** has intention to be honest and participate fully and to recognize that the coaching sessions are a confidential way to look at what you really want, and what it will take to make it happen.
- **The CLIENT** has the intention to make a commitment to completing all of your assignments and to the action plans you create and do what you have agreed to do.
